## Descriptif

This 7.6 km trail is aimed primarily at walkers who want to take the time to discover the richness of our heritage...

Along the way, you'll discover the village church, the Chapelle St Sylvain, the Saulges caves and canyon, and the Gô mill. We invite you to discover the prehistory museum on the site of the Saulges caves and canyon.

At the end of your walk, and to "regain your strength", we invite you to head for "Le Fournil du Cèdre"! (in the centre of St Pierre sur Erve). Can you smell the bread? Don't leave without your wood-fired bread!

You can combine this walk with route 33 "Circuit de l'Oratoire" (8.2 km).
