Descriptif

Enter this gently undulating rural area, criss-crossed by the river "La Fontaine sans fond".

This walk in the heart of the countryside will take you to our "lost" paths, once used as refuges by counter-bandits.

There are many interesting heritage features to discover on your walk, including Saint-Pierre church and the Château du Bois Dauphin.

Halfway along your walk, in the Sabolien bocage, you will be charmed by the Manoir de Sourches.
