Descriptif

Come and enjoy an unforgettable experience in the Coëvrons, a picturesque region nestling in the heart of the Mayenne. This Land of Art and History is a must-see destination, thanks to its cultural heritage and its variety of landscapes, which are sure to surprise you.

So get set, get ready, get on your bikes and discover our 3 Petites cités de caractère, Saulges, Saint-Pierre-sur-Erve and Sainte-Suzanne-et-Chammes, also ranked among the Most Beautiful Villages in France.

The route is marked out on small, quiet roads with shared lanes.

North of Hambers, towards Jublains and Grazay, there are 2 possible variants:

1- towards the Vélofrancette (Caen - La Rochelle) by taking the voie verte towards Mayenne. Consult the itinerary on: [the website](#)

2- towards the Véloscénie (Paris - le Mont saint-Michel) by taking the voie verte towards Javrions-les-Chapelles and then joining the Véloscénie at Pré-en-Pail.
